11th Decr.

Office Note inreply to Unofficial Reference No. 3 dated 9-7-'04
from the Secretariat.

Assuming that the Travelling Allowance of Officers in such cases when they are not directly under the orders of this Government or of any of its officers is regulated by the rules laid down in the Mysore Service Regulations in regard to rates of dailyallowance, railway fare, mileage &c., &c., the admissibility of mileage for marches of less than 20 miles in this particular case could only be determined by ascertaining whether the territorial jurisdiction of the officer at Poona under whose orders D.G. Ramachandra Rao is, and has travelled embraces as wide a field as that contemplated in Art:562 Mysore Service Regulations. I may add that the bills of Ramachandra Rao for February and March 1904 in which mileage was claimed for similar journeys was sanctioned by Government in their Pro: No. 2380 dated 26th April 1904 and No. 2770 dated 3rd May '04 respectively.
